

More Wandering along the High Weald Landscape Trail

Friday 13th to Sunday 15th September 2019

We shall be continuing along the trail from where we left off last year. For various reasons, not least the increasing distances from Lewes for each day's walk, we shall only be walking on three days. As before we will be going by coach to the start of the day's walk and be picked up at the end. And, as before, on Saturday and Sunday there will be a "shorter" walk and a "longer" walk.

The itinerary is –

Friday 13th – Eridge Green to Pembury – 8 miles.

Saturday 14th – Pembury to Horsmonden – 7 miles (shorter walk)
then Horsmonden to Goudhurst – 3 miles

Sunday 15th – Goudhurst to Benenden – 9 miles (shorter walk)
then Benenden to Rolvenden – 3 miles

As you can see, the shorter walks are not that short but this has been dictated by the distance between convenient stopping points. There are public houses at all of the picking-up points so those doing the shorter walks will have somewhere to recover and wait for the coach. As before we shall be taking our time and enjoying the scenery.

The Sunday will be a long day so it will not be sensible to have a celebratory dinner on that day. If we do want to have a get together then it will have to be on Monday, possibly at lunch time for a change.

The cost will depend to some extent on numbers but it will be more than last year because of the longer distances involved. We are guessing at around the £85 to £90 mark.

This will not be the end of the trail. We are thinking that completing the trail will best be done by having a weekend break somewhere near Rye in 2020.

It is very likely that, as before, we will be able to accommodate members only wanting to do one or two of the days but they will have to be "fitted in" once we know the numbers. Their cost will be by the day, of course.

Please complete the slip below and send it to The Heaps, 30 Dunvan Close, Lewes, East Sussex, BN7 2EY together with a deposit of £10 per person which will be returned if the holiday does not attract sufficient numbers. If you anticipate only walking one or two of the days please indicate that on the form.

Please put me/us down for the wander along the HWLT in September.
