1964 - 2017 Lewes Footpaths Group Walking and Social Programme October 2017 to March 2018

Members concerned about the poor accessibility of any footpath within 10 miles of Lewes should report this to the Footpaths Secretary so that action can be taken.

Because of the reports of increasing numbers of attacks by cows with their young, it has been decided that dogs will no longer be allowed on walks.

Non-members are welcome to attend walks and meetings.
